Did you know?

Common Ground Café: an outreach of Common Ground Ministries staffed completely by volunteers, offers an oasis of comfort and acceptance for the distressed in the inner-city neighborhoods in Haverhill, MA. This street mission to the poor and homeless also provides key assistance to families in need along New Hampshire’s bordering towns such as Plaistow. Common Ground provides weekly meals to over 320, and a once-a-month free food distribution to over 450 through their Food Pantry in partnership with the Boston Food Bank. They also have a free clothing distribution to the neediest, and have a thrift and used furniture outlet to assist their community with affordable, gently used basic items, such as clothing, shoes, furniture etc. at a very nominal fee. FREE ESL is also provided 8 months of the year. Please visit website: www.commongroundne.org

Hope and Health International will again sponsor the Mission School of Hope’s medical clinic: in their quest to continue to provide the highest quality of health care to their community. Over 100 babies have been born and numerous lives saved. Hope and Health International will be the shepherding organization and we will once again support the needs of this clinic financially as they double in size this year as they finish their new building. In addition, we hope to send another 40 foot container full of donated medical supplies and equipment donated to IMEC America from area New England Hospitals and clinics to furnish their newly enlarged clinic.

Immunizations, day surgeries and basic dental and homecare services to the community are also provided. Please visit website for all information and newsletter updates at: www.missionschoolofhope.org
